ch = chain

sc = single crochet (UK: double crochet)

dc = double crochet (UK: treble crochet)

sl st = slip stitch

inc = increase: 2 sc in the same stitch

dec = decrease: sc two stitches together

FLO = front loop only

BLO = back loop only

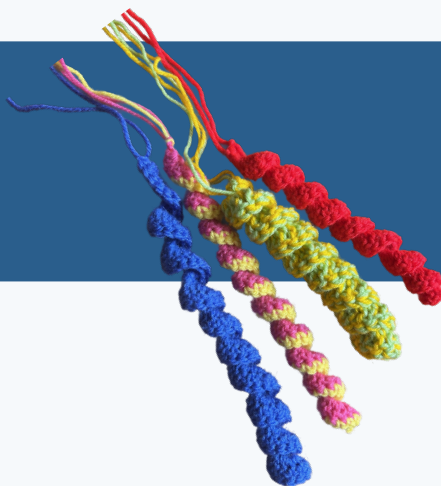

Before you start

These patterns assume basic knowledge of stitches, how to start (slip knot or magic circle), and how to close. If you get stuck, just email andiecrafted@gmail.com.

Spiral

A fun and swirly toy for kitties to chase around, or to tie up and dangle for them to swat at.

Time to make: ~15 minutes

- | Step | Instructions |
|------|--|
| 1 | Make a slip knot |
| 2 | Chain 40 stitches |
| 3 | Turn and double crochet three times into every chain |

The toy will naturally curve as you go. You can make it any length (shorter = quicker!), and experiment with different yarns, adding extra rows, or just leave it plain,

Ball and tail

A super light and floaty ball, with a symmetrical pattern that makes a great intro to shapes.

Time to make: ~30 minutes

Round	Instructions	Stitch count
1	6 sc into a magic circle, then pull tight	6
2	6 inc	12
3	(sc, inc) x 6	18
4	(2 sc, inc) x 6	24
5-8	sc in each stitch	24
9	(2 sc, dec) x 6	18
-	Stuff with polyester fiberfill stuffing	-
10	(sc, dec) x 6	12
11	6 dec	6
-	Close	-

Hint: If you change colour each round it not only looks great, but you don't need a stitch marker to mark the start of each round – just look for the colour change!
